Ok, here we go. A real b**ch to transcribe with all the squeals and stuff, but we made it. The second verse is basically the same as the first with few little variations. I tabbed the beginning, but the rest is up to you, I'm sure even Richie wouldn't play it the same way twice. The solo is actually pretty easy once you learn the repeatable pull-off pattern. Without further talking, here it is, enjoy.

99 In The Shade

(Jon Bon Jovi & Richie Sambora)

I feel I'm burning up with fever
But the fire's feeling really good tonight
And it's alright
I'm gonna see Sahara Jack and Suntan Sally
Somebody tells me even Tommy's coming down tonight
If Gina says it's alright

[Intro]
[1st verse]

I'm gonna see those Senoritas
Lying under the sun
They're greasing it up
With know I want to be their blanket
Gonna tell every girl
Hey, baby... You're the one...

[Bridge]

Oh tell the boys I'm on my way
I got the radio blasting in my old man's Chevrolet
I got a party in my pocket cause you know I just got paid
And I'm feeling fine, it's 99 in the shade
I'm feeling fine, it's 99 in the shade

[1st chorus]

When the sun goes down that's when the street heats up
Señorita Margarita fills your empty cup tonight -
She makes you feel so right

[2nd verse]

A good time here don't cost much money
Just a little sweet talking and a pretty native honey
And you're set for life
Or one hell of a night

I'm gonna see those sons of beaches
Out there living it up
The surf and the sand,
Man that life ain't so tough
So get me in the action so I can tell
Every girl she's the one

[Bridge]

Oh tell the boys I'm on my way
I got the radio blasting in my old man's Chevrolet
I got a party in my pocket cause you know I just got paid
And I'm feeling fine, it's 99 in the shade
I'm feeling fine, it's 99 in the shade

[2nd chorus]
