A great song from the Jersey boys. Rocks like hell! Richie plays simple rock riffs with incredible power and Jon shouting, Tico pounding... Hot shit. Pretty basci stuff for a guitarist, but use power playing, and listen to the record for timing... It's pretty tricky someplace... Comments, corrections (haven't had any yet! ;-) ) and requests are wanted! Enjoy!

Good Guys Don't Always Wear White

-----  
Jon Bon Jovi & Richie Sambora  
from the soundtrack "The Cowboy Way"

[Intro x4]

[Rhy.Fig.1 x4]

You say you don't like my kind [Rhy.Fig.2]  
A better picture in your mind  
No, it don't matter what I say  
I hear your bitchin' when I walk away

I'll never be what you want me to be [Rhy.Fig.3]  
You tell me I'm wrong but I disagree  
I ain't got no apologies

Just because I don't look like you, [Rhy.Fig.4]  
Talk like you, think like you  
Judge and jury, hangman's nuice  
I see them in your eyes

Good guys don't always wear white [CHORUS]

You judge a man who don't stand in line [Rhy.Fig.2]  
Just because he ain't on your side  
You know the man who wears those shoes  
If you cut me down I'll bleed like you  
You know I do

I don't know what you've been told [Rhy.Fig.3]  
Can't buy guts with the pot of gold  
A rich man's poor if he's got no soul

A rich man, poor man, beggerman, king [Rhy.Fig.4]  
All that shit don't mean a thing  
Do you know which one's behind those eyes  
We always wear disguise  
Don't we?

Good guys don't always wear white [CHORUS]

SOLO [solo]  
[Rhy.Fig.5]

Hey baby, whose side are you on [D + Rhy.Fig.2b]  
You think you got all figured out  
Where we belong

Forget about your dark from light [Rhy.Fig.4]  
Day from night,  
Wrong from right...

Good guys don't always wear white [CHORUS]

Don't always wear... [Rhy.Fig.5]

White... [A]
