This time just the chords, but then again, there aren't too much more in the song...;-) Notice that it sounds a lot better, if you use the A shape I've written here. Sounds a lot like the Beatles, doesn't it?

Chords:

G 320033
A x02255
C x32010
Bb 113331
F 133211

And for the piano part
A/G 302255 (use thumb)
C/G 332010

Intro:

G A/G C/G G

Verse & Chorus:

G A C G

Bridge:

Bb F

The other guitar plays this:

e	-----
B	-----
G	-----*
D	-----5--*
A	-----5---
E	--0--3~--0--3~--0--3~--3---

And the other just plays G - chord...
Then again:

Bb F

A G

The End

"... Rebecca did the Fleugenheug..."
"...I wish we had that one on tape..."
"One.... One...two..."
"Spanish, please"

One, two, three, quatro!

[Intro]

So now it's over
Let the spotlight fade
I hear the music slowly fade away
And now I find it hard to say goodbye
So I'll just say good night, my friends

[verse]

The End
(We'll be together)
The End
(We'll live forever)
We'll all be together in
The End

[chorus]

The End
(Although it's over)
The End
(It's never over)
We'll all be together in
The End

If every moment is a memory
A faded photograph of days gone by
Can I take a little piece of you with me
For when I leave this all behind

CHORUS

Come on, come on, come on darling
Lay your head down, mama
Come on, come on, come on darling
Tell me baby,
'cause I can't see the lights this time...

[bridge]

I'm getting tired so I close my eyes
I need to look at you just one more time
Though it's over, it's never over
Until I see you again

CHORUS
