Arash:

Finally I finished this tab. it wasnt too hard, but too long! They all look the same, but they are really different, so I tabbed the whole guitars. One playing the chords in the background, and one playing solo through the whole song with slide. And the bars are same to the song, it took hell of a time to figure the real bars, and they are now here to help you. So here you are, comments and corrections are welcome.

Antti:

Nothing special with the chords, basically the same as the original version, but with a Dm in the pre-chorus. The rhythm guitar plays a steady 6/8 rhythm and a few easy arpeggios in the pre-chorus.

Enjoy!

## Born To Be My Baby

(Jon Bon Jovi / Richie Sambora / Desmond Child)

Rainy night and the worked all day  
We both got jobs cause there's bills to pay  
We've got something they can't take away  
Our love, our lives

Close the door, leave the cold outside  
Don't need nothing by your side  
We got something that won't ever die  
Our dreams, our pride

My heart beats like a drum  
Flesh to flesh, one on one  
I'll never let go  
Something I know deep inside

You were born to be my baby  
And I was made to be your man  
We've got something to believe in  
If we don't know where we stand  
Only God knows the reasons  
But he must have had a plan  
Cause you were born to be my baby  
And I was made to be your man

Light a candle, blow the world away  
Table for two on a TV tray  
Nothing fancy but that's OK  
Our time, our way

Hold me close, baby hang on tight  
Buckle your seat for a bumpy ride  
We're two kids hitching this road of life  
Our world, our fight

Stand by my side  
There's a chance to get by  
Know that you'll live  
In my heart till the day I die

You were born to be my baby  
And I was made to be your man  
We've got something to believe in  
If we don't know where we stand  
Only God knows the reasons  
But he must have had a plan  
Cause you were born to be my baby  
And I was made to be your man

Solo

My heart beats like a drum  
Flesh to flesh, one on one  
I'll never let go  
Something I know deep inside

You were born to be my baby  
And I was made to be your man  
We've got something to believe in  
If we don't know where we stand  
Only God knows the reasons  
But he must have had a plan  
Cause you were born to be my baby  
And I was made to be your man
