When I couldn't breathe
Thank you for loving me

He promised her roses and American pie
I called her and my demons
And I kissed them both goodbye

Seven days of Monday morning
In a two story town

Chorus:
It's just the same old sights

I ain't going down, down, down, down, down
I'm never going down, down, down, down, down
It's a two-story town

After all we've been through
There's nothing that I wouldn't do

Stand by me
And I would gladly give up everything

Just Older

D G A D

 G
Hey, man, it's been a while
Do you remember me?
 Bm A
When I hit the streets I was 17
G
A little wild, a little green
 Bm A
I've been up and down and in between
G
After all these years, miles of memories
Bm A
I'm still chasing dreams
G
But I ain't looking over my shoulder

Chorus:

D
I like the bed I'm sleeping in
G
Just like me, it's broken in
A D
It's not old -- just older
D
Like a favorite pair of torn blue jeans
G
This skin I'm in it's alright with me
A D
It's not old -- just older

It's good to see your face
You ain't no worse for wear
Breathing that California air
When we took on the world
When we were young and brave
We got secrets that we'll take to the grave
And we're standing here shoulder to shoulder

Chorus:
I like the bed I'm sleeping in
It's just like me, it's broken in
It's not old -- just older
Like a favorite pair of torn blue jeans
This skin I'm in it's alright with me
It's not old -- just older

C
I'm not old enough to sing the blues
G D
But I wore the holes in the soles of these shoes
C
You can roll the dice 'til they call your bluff
Em A
But you can't win until you're not afraid to lose

Solo

Well, I look in the mirror
I don't hate what I see
There's a few more lines staring back at me
The nights have grown a little bit colder
Hey man, I gotta run
Now you take care
If you see coach T. tell him I cut my hair
I've kept my faith I still believe I'm just...

Chorus:
I like the bed I'm sleeping in
It's just like me, it's broken in
It's not old -- just older
Like a favorite pair of torn blue jeans
This skin I'm in it's alright with me
It's not old -- just older

Mystery train

She cries because she's happy
She sings songs when she's mad
Like a stiff drink when you need it
She's good at being bad
And long before you knew her
You knew she was the one

She's a ride on a mystery train
To a place you've never been before
Better hold on tight to that mystery train
You're not in Kansas anymore
She's a ride
