Here's a little song of the 7800 - album. Nothing spectacular, but the solo is pretty nice with harmonics and that whammy bar trick, later used in Bad Medicine. Enjoy!

The Hardest Part Is The Night

-----

	[Intro]
In the heat of the street of the city	[Verse]
A young boy hides the pain	[Fig.1]
And he walks so tall, trying to hang on	
But he knows he's going down again	[Riff.1]
I know he's going down...	
Darkness fades he's the prince of his city	[Verse]+[Fig.2]
In a place where they all know your name	[Fig.3]
You can see in their eyes life so paralyzed.	
Your just a pawn in a losin' game	[Riff.1]
You lose at life it ain't no game	
Hear their cries	[Chorus]
The hardest part is the night	
(In the night, hear their cries, in the night)	
Stay alive	
The hardest part is the night,	
(it's the night, it's the night...)	
All alone in a place where the lonely	[Verse]
They all have to walk through the rain	[Fig.3]
And they dance on the edge where you only	
Only pray that it has to end	[Riff.1]
That the night ain't no friend	
Chorus	[Chorus]
	[Bridge]
	[Solo] + [Chorus]
These four walls	[Verse]
They could tell you some stories	
About lying and dying and fame	
There's a price that you pay for the glory	[Fig.4]
About losing and choosing and pain.	[Fig.5]
Chorus	[Chorus]
