First single off Richie's new album. Springsteenish sound continues, but it isn't a bad thing, right? Nothing fancy, just chords this time. Keep them e-mails coming, and I'll TAB the songs, OK? Enjoy!

Hard Times Come Easy

It's amazing
We go through changes
It's up and down, it's hot and cold
These complications
Just keep on going
There ain't no running
When it comes to life that's how it goes

Round and round we go
Sometimes it feels like
We're on a rollercoaster ride
Baby, don't you know
It could eat you up
If you try to keep it all inside

Seems like
Hard times come easy
We do a lot of hanging on these days
But the heart finds a reason
And love always seems to find a way
Even if it hurts
Even if it hurts us baby

There's gonna be thunder
There's gonna be rain
There's gonna be those times
We both get caught up in the pain
The realization
Keeps sinking in
The way you make it
Is learn to take it on the chin

Round and round we go
It's just another day

With trouble knocking at your door
Baby don't you know
We can work it out
'Cause we always seem to find a cure

CHORUS

Round and round we go
Sometimes it feels like
We're on a rollercoaster ride
But baby, don't you know
We'll keep holding on
Trough the changes that we feel inside

CHORUS
