It's time for a track from "New Jersey". I like the song myself. I finally had the time to figure it out. I love the intro and outro slide "train" parts. The song is based on the Riff 1. Play Riff 2 in the outro with End.1 Hope that helps, the solo may come later. Enjoy!

Comments, corrections and etc. are welcome!

Intro Riff(w/slide):

Homebound train

(Jon Bon Jovi/Richie Sambora)

When I was just a boy
The devil took my hand
Took me from my home
He made me a man

So, don't talk to me about sympathy now
Cause you can't dance if you
Take a chance on your rosary

I'm going down, down, down, down, down
On the homebound train

It's been a millions years
That I been gone

I been everywhere, now I'm heading home
Been a lot of girls, but there's a woman I know
Said don't take no plane
Better take a train
Cause I like it real slow

All the way back home
On the homebound train
I'm going down, down, down, down, down
On the homebound train

Solo

I'm on my way
I'm heading home
To be with my baby
Where I belong
Coming down the tracks now
See, I done my time
I'm going back now
To that home of mine
Well, here I come baby
Here I come baby
Here I come baby

All the way back home
On that homebound train
I'm going down, down, down, down, down
On that homebound train
