[Some violin intro thing.. then]

 C G Am
Sitting here just watching you sleep,

 F C
Wish I could slip inside and be,

 F C G
In some technicolour dream,

 C G Am
But the air's too thick for one of us to breathe,

 F C
I'm not fool enough to think,

 F C G
You couldn't live life without me,

F G C
I didn't come this far to throw the towel in,

F G C
I didn't fight this hard to walk away,

Am E F
If I ain't smart enough to say I'm sorry,

F G C
It's just because the words got in the way

I remember how it used to be,
I was you and you were me,
We were more than just the same,
Now these shoes don't fit, My skin's too tight,
When you want a kiss, I take a bite,
Let your heart call up the cops, read me my rights

Last night I drank enough to drown,
Raise a toast to your good looks and to my health,
Look, we both know how much I've let you down,
Janie don't take your love to town,

Chorus:

 F G C
Janie don't you take your love to town,

 F G C
Janie don't you take your love to town,

Am E F
If I've got to beg, I'll beg, just don't walk away

F G C
Janie don't you take your love to town,

You deserve a shooter, a saint
Someone to give it to you straight
To find the soul through flesh and bone
My live's a treasure, full of suny weather
But it's left me feeling cold
Now all you want to do is take me home

I hated you, the night you said you loved me
I hated you, 'cause I couldn't love myself
I'm beggining you now, baby please just hold me
I got one foot in and one foot off the ground

Chorus

SOLO

C G Am
Sitting here while you're fast asleep
F C
In the bathroom by the sink
F C G
Trying to write the rights words down

C G
I turn out the lights, close my eyes
Am F
There ain't no prayers or kiss goodnight
C F C
What I'll forget to say tomorrow, I'll say now
F
Janie don't you take your love to town

Chorus
