<Antti:>OWN is a great live song, but pretty simple one for guitarists. Richie isn't the best slide player in the world, but plays a decent solo. So grab your slides and dig in. Otherwise, really straight-forward stuff. 80's - guitar all over.

<Rumen:>I think,that "One Wild Night" is one of the best songs from "Crush". The Old Bon Jovi's style. Listen to the record for timings,the bar lines are not correct,just there only for help reading.

One Wild Night

[Riff 1]

[Rhy.Fig.1]

It's a hot night, the natives are restless
We're sweating by the light of the moon
There's a voodoo mojo brewing at the go-go
That could knock a witch off her broom

[Rhy.Fig.2]

We slither on in and shed our skin
Make our way into the bump and the grind
So I'm passing by, she gives me the eye
So I stop
To give her a light

Chorus:

[Riff 1]

One wild night (blinded by the moonlight)
One wild night (24 hours of midnight)
One wild night (I stepped into the twilight zone
And she left my heart with vertigo)

[Rhy.Fig.3]

One wild, one wild, one wild, one wild night

Havin' as much fun as you can in your clothes
Margarita had me feelin' alright
It just might be that I found religion
I've been on my knees for half of the night

Then I'm rolling the bones with Jimmy 'no dice'
Gonna take him for a couple weeks' pay
Man, if you lose this roll I take your girlfriend home
So I stopped
But you're not gonna believe who comes walking out

One wild night (blinded by the moonlight)
One wild night (24 hours of midnight)
One wild night (I stepped into the twilight zone
And she left my heart with vertigo)
One wild night (hey, c'est la vie)
One wild night (welcome to the party)
One wild night (life is for the living so
You gotta live it up, come on let's go)
One wild, one wild, one wild, one wild night

Guitar solo

One wild night (blinded by the moonlight)
One wild night (24 hours of midnight)
One wild night (I stepped into the twilight zone
And she left my heart with vertigo)
One wild night (hey, c'est la vie)
One wild night (welcome to the party)
One wild night (life is for the living so
You gotta live it up, come on let's go)
One wild, one wild, one wild, one..

One wild night (blinded by the moonlight)
One wild night (24 hours of midnight)
One wild night (I stepped into the twilight zone)
For one wild night
One wild night (hey,c'est la vie)
One wild night (welcome to the party)
One wild night (life is for the living)
All we've got is one wild night

One wild night (4x)
One wild night blinded by the moonlight
One wild night 24 hours of midnight
One wild night stepped into the twilight zone for
One wild, one wild, one wild, one wild night
