```

Only Lonely

(Jon Bon Jovi & David Bryan)

[Intro]

Another long and sleepless night
You need someone to hold you tight
Sometimes love don't know wrong from right
Another long and senseless

[Fill 1]

fight was all you knew
They're all the same
There's no one left to take the blame
What's behind this masquerade ?
How do we win these losing

[Verse 1]

games we play, words we say
cuttings wounds we know they run so deep
Leave it all behind you
Or someday love will find you

[Pre-Chorus]

Only lonely, oh oh
I can't stop hurting you
Only lonely oh oh,
I can't stop oving you
Only lonely, oh oh,
How much pain does it take

[Chorus]

It's getting sometimes I don't know
When to stop when to go
Sometimes we're so afraid to
Let it show

[Verse 2]

[Fill 2]

A stolen kiss so out of place
It wipes the smile right off your face
And when those feelings start
We let them go, let them go

Pre-Chorus

[Pre-Chorus]

Chorus

[Chorus]

How much pain does it take
 Cm G#
before your heart breaks?
 Cm G# Bb
before your heart breaks?
Cm G# Cm G# Bb

I got this timebomb ticking in my head
This time I think she's gonna blow
How can I say get away
When I just can't let go

[Bridge]

[Solo] + [Solo Rhythm]
[Pre-Chorus]

Chorus to fade out...

[Chorus] + [Outro Solo]
after 2nd rep
