Rockin' In The Free World

(Neil Young)

Two,Three.Four

There's colors in the night
Red, white and blue
People shufflin' their feet
People sleepin' in their shoes
But there's a warming sign on the road ahead
There's lot of people sayin' we'd better off dead
Don't feel like Satan, but I am to them
So I try to forget it, any way I can.

So keep on rockin' in the free world
Free World

I see a woman in the night
With a baby in her hand
Under an old street light (old street light)
Near a garbage can (garbage can)
Now she puts the kid away, she's gone to get a hit
she hates her life and what she's done to it
There's one more kid that will never go to school
Never get to fall in love, never get to be cool

Keep on rockin' in the free world
Free World
Richie!

We got a thousand points of light
For the homeless man
We got a kinder, gentler,
Machine gun hand
We got department stores and toilet paper
We got styrofoam boxes for the ozone layer
Got a man of the people, says keep hope alive
Got fuel to burn, got roads to drive

Keep on rockin' in the free world
Free World
