Listen for Jon's first (and only?) guitar solo! OK, it's not much of a solo, but it says so in the credits... Great melody, but I'd like a more rock and roll - approach, instead of this symphony orchestra.

Chords:

G	320033	D	xx0232
Em	022000	C	x32010

Verse:

Chorus:

Santa Fe

They say that no man is an island
And good things come to those who wait
But the things I hear are there just to remind me
Every dog will have his day

The spirits they intoxicate me
I watched them infiltrate my soul
They try to say it's too late for me
Tell my guns I'm coming home

I swear I'm gonna live forever
Tell my maker he can wait
I'm riding somewhere south of Heaven
Heading back to Santa Fe
It's judgement day in Santa Fe

Once I was promised absolution
There's only one solution for my sins
You gotta face your ghosts and know with no illusions
That only one of you is going home again

And I blame this world for making a good man evil
It's this world that can drive a good man mad
And it's this world that turns a killer into a hero
Well I blame this world for making a good man bad

Now I ain't getting into heaven
If the devil has his way
I swear I'm gonna live forever
Heading back to Santa Fe
Got debts to pay in Santa Fe
It's judgement day in Santa Fe

Solo

So I save a prayer for when I need it most
To the Father, Son and the Holy Ghost
And sign it from a sinner with no name
When I meet my maker will he close the book
On the hearts I broke and the lives I took
Will he walk away 'cause my soul's too late to save

Now I ain't getting into heaven
If the devil has his way
I swear I'm gonna live forever
Heading back to Santa Fe
Got debts to pay in Santa Fe
It's judgement day in Santa Fe
