

She Don't Know Me

The only song that doesn't have Jon at least as a co-writer. Not really Bon Jovi and the guitars are really sparse. There are different little ditties, but the mix is so bad, I wasn't sure if they were guitars or keyboards. But here are the guitars I found.

Enjoy, if you can. :)

She Don't Know Me

(Mark Avsec)

[Intro]

What more can I do, there's nothing I haven't tried [Verse]
Still it's so hard for her to notice
I've tried hard to be straight
There's nothing left I can say
If only she would look my way

She don't know me, she don't know [Chorus]
She don't see me, she don't care
She can't hear me, can't hear
Can not help me, she don't want
She don't want me like I want her
Like I want her got to tell her
Got to tell her that I love her
That I love her
She doesn't even know my name

I dream of when she'll be mine [Verse]
I dream of crossing that line
And holding her so tender
Dreaming it could come true
So many things I could do
If only you'd give me a chance

Chorus

[Chorus]

[Bridge]
