## Silent Night

-----

by Jon Bon Jovi

After the smoke clears. [Fig.1(x3)w/End]  
And it's down to you and I. [Fig.2(x4)]  
When the sun appears.  
And there's nothing left but goodbyes.

We'll just turn and walk away. w/[Fig.2a]  
How could we let it end like this.  
Just turn and walk away.  
Should we seal it with a kiss.

It's too late. [Bridge]  
Now you're out and on the run.  
It's too late.  
Held up in love without a gun.

Silent Night. [Fig.3(x3)w/End.1]  
We hold up our candle light.  
Silent night.  
The night our love died.  
No words to say.  
Now were both too tired to fight.  
Just hold me close.  
And don't let go.

It was all so simple when. [Fig.2(x4)]  
You were to be queen  
and I'd be your king.  
I guess those dreams got lost.

Cause baby you're still you  
and I'm still me. [Fig.2a]  
Now letting go  
is always the hardest part to fight.  
When we both know.  
We're two more victims of the night.

It's too late, [Bridge]  
Too late to wonder why.  
Much too late,  
To save a love that's died.

Silent Night. [Fig.3(x3)w/End1&End.2]  
We hold up our candle light.  
Silent night.  
The night our love died.  
No words to say.  
Now were both too tired to fight.  
Just hold me close.  
And don't let go.  
Just hold me close.  
And don't let go.

[Solo]

After the smoke clears. [Fig.2(x2)]  
And it's down to you and I.  
When the sun appears.  
And there's nothing left but goodbyes.

Silent Night [Fig.3 w/outro solo]  
Silent Night  
Silent Night  
Silent Night and etc.
