Social Disease

-----

(Jon Bon Jovi/Richie Sambora)

[Fig.1]

[Riff 1 x2]

[Riff 2]

You can read it in the papers  
In some places it comes in 32 flavors  
But you wouldn't tell no one  
Your favorite if you could

[Riff 3]

[Riff 4]

[Riff 1]

From the White House to the alleys [Riff 3]

From the President down to Long Tall Sally

Can't live with it but

[Riff 5]

You'll die without it - yes you would

[Riff 1]

Senorita's in the kitchen [Riff 6]

She's a fistful of dynamite ->[Riff 1]

You call 911 but you

[Riff 6]

Can't stop the fun tonite, it's alright ->[Fig.2]

You can't start a fire without a spark [Riff 7]

But there's something that I guarantee

You can't hide when infection starts

Because love is a social disease

Where you look you can find it

[Riff 3]

Try to run but you're always behind it [Riff 8]

So you play hide and seek like a blind kid [Riff 4]

Till you're caught - yeah you're caught

[Riff 1]

So you'll say that you had some

[Riff 3]

But they took it and held it for ransom [Riff 8]

Were they tall, dark, skinny or

[Riff 5]

Handsome - you won't talk

[Riff 1]

So you telephone your doctor

[Riff 6]

Just to see what pill to take

->[Riff 1]

You know there's no prescription [Riff 6]

Gonna wipe this one away ->[Fig.2]

You can't start a fire without a spark [Riff 7]

But there's something that I guarantee

You can't hide when infection starts

Because love is a social disease

She's so full of high grade octane

She could run the bullet train on 38 double d's

Now you know for sure, you know the cure

To make a blind man see
