

**Starting All Over Again**

-----  
from the album "Keep The Faith" (1992) Australian edition  
by Jon Bon Jovi & Richie Sambora  
transcribed by Antti Iiskola (iceman@freezzone.com)

I love this track. I don't know what it is about it, but ever since I first heard it, I've loved it. The song itself is pretty easy, straight-forward stuff, just pay attention to the double stops, there's a lot of them. The solo is still incomplete, I'll finish it if I ever have the time... Till then, Enjoy!

Intro:

```

## Starting All Over Again

-----  
(Jon Bon Jovi & Richie Sambora)

I been waiting, standing in the dark for hours, [Intro]  
Tryin' a find the faith and the power to get back home to you [Intro]  
It's been a long time, long time since I've seen your face [Verse]  
But on and on I could not replace,  
The fire that burns for you, yeah

So here's to the good times, here to the bad, [Pre-chorus]  
Here's to the memories that we all had  
Here's to tomorrow, let yesterday pass us by

Tonight, we'll be starting all over again, [Chorus]  
And it feels like the first time, I  
No I'll never feel this way again  
Starting all over again.

Do you remember, remember the odds we were given, [Verse]  
We had nothing and we thought that was living,  
Lord and it's been such a long, long road  
Long, long road

Here's to our old friends who helped us get by, [Pre-chorus]  
Here's to the dreamers, may their dreams never die,  
If we believe we can keep all the good times alive.

Tonight, we'll be starting all over again, [2<sup>nd</sup> chorus]  
And it feels like the first time, I  
No I'll never feel this way again.

Whoa oh, tonight, we'll be starting all over again,  
And it feels like the first time, I  
Know whenever we're together my friends  
It's like starting all over again.

Let's go! [Bridge]  
[Solo]

Tonight, we'll be starting all over again, [2<sup>nd</sup> chorus]  
And it feels like the first time, I  
No I'll never feel this way again.  
Whoa oh, tonight, we'll be starting all over again,  
And it feel like the first time, I  
Know whenever we're together my friends  
It's like starting all over again.

I been waiting, standing in the dark for hours, [Intro]  
Trying to find the faith and the power to  
Start it all over again.
